GENERAL RULES FOR ISA CHAMPIONSHIPS 2018

A. ELIGIBILITY OF SHOWS

Shows wishing to participate in the 2018 Championships and be eligible to hold qualifiers, must have collected the Championship Fund Levy (currently 5%) from Horse, Pony, Cattle & Sheep class prize money for the year 2017 and forwarded the amount so collected, in full, to the Irish Shows Association Head Office within the stipulated period of not more than **30 days** from the date of their show. Alternative methods of meeting this obligation are not acceptable.

Any show or competitor in breach of the Rules set out below will be disqualified from participating or competing in these Championships.

These General Rules and those relating to individual championships (where applicable) should be published in the show schedule and catalogue of the participating shows and must be strictly observed.

B. QUALIFYING ROUNDS (QUALIFIERS)

Qualifying rounds will take place at eligible shows selected by the Irish Shows Association.

C. RESPONSIBILITY OF SHOWS HOLDING QUALIFYING ROUNDS

- a. Selected shows should hold a separate class for each qualifier from which the highest placed animals will qualify.
- b. The Qualifier Class should be held if possible as the 1st class in the relevant section of the show.
- c. No other sponsor may be involved in qualifying classes.
- d. Shows must ensure that the qualifiers are held strictly in accordance with the relevant rules.
- e. Shows may charge an entrance fee for each qualifying class. **The ISA will award a rosette to the successful Qualifiers on appearance at the Final.**
- f. No show hosting a Championship Final may hold a qualifier for that Championship on the day of the Final other than by agreement with the Irish Shows Association. **However** shows who hold qualifiers for **Horses, Ponies and Cattle** may ask exhibitors to enter the exhibit in **at least one other class** at their show on the day.
- g. Animals qualified for Finals are **not** eligible to enter in any other class at the Show where the Final is held other than a Qualifying Class for another competition.
- h. Shows **should** appoint competent, well briefed persons to act as Stewards, who must ensure that only animals (or other exhibits) which are eligible to compete and those whose documentation is in order, are allowed to proceed to the judging ring.
- i. Animal passports & “Micro Chips where applicable” **should** be read by a Veterinary Surgeon appointed by the show.
- j. **On completion of judging, Stewards should instruct the successful competitors to attend** at the Show Secretary’s office **within one hour**, and to complete the necessary documentation for entry to the championship final.
- k. The show must appoint a well briefed officer who will be in attendance at the secretary’s office, and who will assist exhibitors to complete the necessary documentation for participation in the final and to collect the relevant entrance fee.

1. Show Secretaries **must** forward completed result cards, together with appropriate fees to the Irish Shows Association within three (3) days following the holding of the show.

NOTICES OF INTEREST TO CHAMPIONSHIP PARTICIPANTS

IRISH LAW (EU DIRECTIVE)

Under Irish Law all horses moving from one location to another must be accompanied by their passports. It is in your own interest to ensure that this is the case. Failure to do so is an offence under Irish Law and is liable on summary conviction to result in a fine up to €3,000. All passports must be registered with the name of the current owner.

Embryo Transfer: Where a foal is produced by this method the dams passport must bear a declaration dated, stamped and signed by the stallion owner (or accredited practitioner where AI is involved) stating the date on which the dam was last covered (or inseminated) and the name of the covering stallion.

The owners of Champions and Reserve Champions are invited to submit the animals' passports to the ISA head office where the placing will be endorsed and officially stamped with the seal of the Irish Shows Association as a permanent record.

It is in the interest of shows hosting championship Finals that photographs and results are forwarded to the Irish Farmers Journal immediately following judging.

“Shows who hold qualifiers for Livestock may request exhibitors to enter the exhibit in at least one other class at their show on the day”

Important Notice to Animal Owners.

The Irish Shows Association would advise all Animal owners who have their Animals Insured to have the Insurance Cover extended to cover them while showing animals at shows.

We understand that it costs very little or nothing at all dependant on who you have the Insurance cover with.

The reason for us giving you this advice is that if your animal were to lash out and injure someone or damage someone’s property, and it is established that your animal was out of your control at that time, you may be held responsible or partly responsible for any injury or damages caused, and could end up paying all, or part of any settlement reached.

DISCIPLINE

The Irish Shows Association expects and will insist upon appropriate behaviour from all Exhibitors and others participating in any of the activities at our Member Shows and will not tolerate inappropriate behaviour.

Inappropriate behaviour shall include but not be limited to the following:

- Profanity, coarse or vulgar language or gestures towards judges, exhibitors or other Show Officials
- Harassment or bullying, including using words or actions that threaten, intimidate or undermine judges or other officials before, during or following Member Show activities
- Failure to follow rules and/or obey instructions
- Abusing any animal

Disciplinary Procedures:

Complaints of misconduct against an Exhibitor or other participant at a Member Show shall be investigated and adjudicated upon by a subcommittee appointed by the Irish Shows Association. The said subcommittee shall consist of three members of the board of the Irish Shows Association and shall be known as the Disciplinary Committee. The Disciplinary Committee shall seek to ensure the existence of consistent, effective, fair and transparent complaint procedures and shall act in accordance with natural and constitutional justice. SPECIFIC REQUIREMENTS – CATTLE

Keepers wishing to show cattle in 2018 must obtain a Certificate of Compliance prior to the movement of the animal to the Show. This ensures that the animal (s) in question has the necessary TB, BR and BVD tests recorded on the Department's database and that the keeper presenting the animal is not restricted by the Department. Certificates of Compliance can be obtained online from the Animal Identification and Movement (AIM) system through the www.agfood.ie facility or from the Cattle Movement Notification Agency. When applying for a Certificate of Compliance, keepers should not specify a destination herd.

On the day of the Show, the Certificate of Compliance should be presented to the Show Secretary along with the bovine passport for the animal.

The Keeper and the Show Secretary will then sign the Movement Notification section of the Certificate which will then be sent to the local DVO for recording onto the AIM System. Please note that only cattle for which a valid Certificate of Compliance is provided to the Show Secretary will be allowed to be shown on the day of the Show.

Identification

All sheep must be identified individually with appropriate ear tags issued in accordance with the requirements of the National Sheep Identification System (NSIS).

Movement Documentation

All consignments of sheep being moved must be accompanied by a completed dispatch document. Individual details of each sheep in the consignment must be recorded on the document. Only sheep from non-restricted flocks can be moved to shows. In the case of flocks restricted following diagnosis of scrapie, only sheep possessing the ARR/ARR genotype may be exhibited. The movement of these ARR/ARR genotype sheep must be accompanied by the relevant movement permit (SCR/10), which can be obtained from the local District Veterinary Office in the County where the flock is located.

Flock Register

All movements of sheep to and from shows must be recorded in the keeper's flock register.

Exports to Northern Ireland

All sheep must be accompanied by a traces intra trade certificate for ovine animals. A traces message, corresponding with the traces certificate, will be sent for each animal or consignment being dispatched to the show (this will be performed by Department officials of the DVO). Exhibitors are advised to contact the show society at the destination well in advance of any show to determine the suitability of the show for return of animals (eg. premises and sheep status), and whether the authorities will have officials and veterinary staff present to supervise and process documentation for animals returning to origin.

Agreement for the movement and immediate return of sheep to a show in another country or vice versa currently only applies for movements between Ireland and Northern Ireland - it does not apply for movements to Great Britain or further afield. Movements to shows in countries other than Northern Ireland, will be dealt with on a case-by-case basis and you should contact your local District Veterinary Office at least one month prior to the show

Attendance of sheep from scrapie monitored flocks at show and sales in 2017: Shows between 1st May and 31st October.
