

SHEEP SECTION

DEPARTMENT OF AGRICULTURE AND FOOD – AN ROINN TALMHAIOCHTA AGUS BIA

Identification

All sheep must be identified individually with appropriate ear tags issued in accordance with the requirements of the National Sheep Identification System (NSIS).

Movement Documentation

All consignments of sheep being moved must be accompanied by a completed dispatch document. Individual details of each sheep in the consignment must be recorded on the document. Only sheep from non-restricted flocks can be moved to shows. In the case of flocks restricted following diagnosis of scrapie, only sheep possessing the ARR/ARR genotype may be exhibited. The movement of these ARR/ARR genotype sheep must be accompanied by the relevant movement permit (SCR/10), which can be obtained from the local District Veterinary Office in the County where the flock is located.

Flock Register

All movements of sheep to and from shows must be recorded in the keeper's flock register.

Exports to Northern Ireland

All sheep must be accompanied by a traces intra trade certificate for ovine animals. A traces message, corresponding with the traces certificate, will be sent for each animal or consignment being dispatched to the show (this will be performed by Department officials of the DVO). Exhibitors are advised to contact the show society at the destination well in advance of any show to determine the suitability of the show for return of animals (eg. premises and sheep status), and whether the authorities will have officials and veterinary staff present to supervise and process documentation for animals returning to origin.

Agreement for the movement and immediate return of sheep to a show in another country or vice versa currently only applies for movements between Ireland and Northern Ireland - it does not apply for movements to Great Britain or further afield. Movements to shows in countries other than Northern Ireland, will be dealt with on a case-by-case basis and you should contact your local District Veterinary Office at least one month prior to the show
